The Riverside 2nd Floor Permit Assistance Center
Is remodeling to better assist you!

In an effort to provide an improved environment to conduct business, and to take advantage of the current advances in technology, the Riverside Permit Assistance Center, located on the 2nd floor is being completely remodeled.

Due to the upcoming construction activities that will be taking place on the 2nd floor, we will be temporarily relocating our operations to the 9th floor for an anticipated nine (9) month period. Due to the relocation efforts, customer service wait times during the week of *December 1st through December 5th* may be affected.

In order to complete the transition, the 2nd floor Permit Assistance Center will **close at noon Friday December 5th**, and re-open for business on the 9th floor at 8:00 am Monday morning, December 8th.

We appreciate and thank you for your patience and understanding during this time.
