Supplemental Deposit Required (Pay This Amount): \$4,783.77

Dear Applicant:

You are receiving this notice because your Deposit Based Fee (DBF) case is either already negative, or has a low balance and it will be necessary for you to provide a supplemental deposit. The Managing Department of your case determines the amount of the Supplemental Deposit based on the projected costs to continue work on your case.

Your choice of payment methods include, mailing a check using the coupon above; calling 760-863-8271 or 951-955-1814 with your choice of a Master Card, Visa, American Express or Discover credit card; or come in person to one of our permit centers listed below and pay by cash, check or credit card. Please be aware that Ordinance No. 671 requires all work to cease on any DBF case when the case balance is negative. Work cannot resume until a positive balance is restored and it is therefore the customer's responsibility to insure that sufficient funds are on deposit to prevent disruption in service.

If you disagree with the balance remaining, you may request a review by the Transportation and Land Management Agency Director, or his designee. This request must be received within ten (10) calendar days of your receipt of this notice. Forms are available at all of the Permit Assistance Centers or can be requested by contacting the representative listed below.

Attached is a summary of case activity for the last 30 days only. A complete statement of all activity, from the date your case started, can be e-mailed to you at your request. Please direct any requests or questions concerning the information in this notice to the appropriate Permit Assistance Center or representative listed below.

Sincerely,  
Transportation and Land Management Agency
