

NEW REGULATION ON LEAD:

Renovation, Repair and Painting (RRP)

— Effective April 22, 2010 —

YOU NEED:

-  To be trained and certified as a renovator
-  To use lead-safe work practices
-  To keep required records
-  To make required disclosures
-  To know that there is a potential \$37,500 penalty per violation

Why is it important?

LEAD DUST HURTS KIDS!

Repair or remodeling projects which disturb lead paint can produce enough lead dust to evenly cover this card. That amount will poison a 1,500 sq. ft. house or apartment, and will fail inspection.
