Online FTP Plan Submittal Guidelines for Plan Check Reviews*

This document provides customer instructions on how to submit online plans for review to the County of Riverside, Transportation and Land Management Agency. This document has been tailored for Road Improvement Plan Submittal Packages, WQMP, and Grading Plans.

Electronic Plan Check Submittals

*These guidelines are for submittals for plan check review. These guidelines are not for submitting approved submittal copies to the County.

STEP#1: Prior to Submittal: Confirm Deposit Based Fee (DBF) Balance and Make a Payment See next page for minimum case balance amounts

TO CHECK THE CASE BALANCE:

Call in first to the RCTD Front Counter @ 951-955-6527 to check the DBF balance and to see if a deposit is necessary. This is also the time to let intake staff know that you are submitting so they can log it into the system, notify plan check staff.

To Check Balance On-line, visit: <u>https://rctlma.org/plus/</u> register and log-in to your account.

Click the SEARCH tab at the top of the page to look up the project Or if you are the applicant the project will show on your DASHBOARD

MINIMUM CASE BALANCE AMOUNTS TO PERFORM PLAN CHECK

The submittal may be put on hold or not accepted for review, if the following minimum DBF cases balances are met. For invoicing, an additional 7% is added to the amounts below for administrative costs. Requesting an invoice would help ensure the appropriate deposit amounts are made to the account. You can contact <u>TLMABilling@rivco.org</u> for any questions or to request an invoice.

(IP's) PLAN CHECK IMPROVEMENT PLANS:

For TR (Schedule. A, B, C, D) and PM (Schedule. E, F, G) - minimum \$5,000*

For PM (Schedule H, I) - minimum \$2,000.00

For PP/CU/PU/MS/VL - minimum \$2,000.00

* Updated from the posted Plan Check Policy and Guidelines.

Initial Deposit Amounts are based on Transportation's Plan Check Policies and Guidelines.

Visit, <u>https://rctlma.org/trans/Land-Development/Plan-Check/Plan-Check-Guidelines</u> And see, Section I. <u>Improvement Plan Submittals</u> for minimum submittal requirements And see, Section II. <u>Construction Cost Worksheet and Plan Check Fee Calc Sheet (pdf)</u> for deposit calculations

(BGR's) GRADING PLANS:

*The amounts listed above do not account for inspection fees, SWPPP reviews, or Preconstruction meetings. The County can generally accept grading plans for review with the DBF balances listed above, but invoice amounts may differ from the above table due to expected costs for Grading Inspection. If an invoice is issued that amount is the required deposit to perform a plan check.

WQMPS:

This review is typically charged under the BGR account. If a WQMP is required, please double the amounts listed above for Grading Plan reviews. If there is no grading proposed at any point for the project, an IP case can be created to perform the WQMP review. The minimum deposit amounts for grading plans (BGRs) would be the amount to start WQMP reviews.

🔀 STEP#2: Prior to Submittal: Follow Namin<u>g Convention for Electronic Files</u>

The FTP site is shared with multiple departments. So files not named consistently could be overlooked and not downloaded for review. In addition, Improvement plans, Grading plans, and WQMPs are reviewed by different sections. If there is a plan applicable to more than one review section, provide copy in each ZIP file, e.g. Grading plans can be included in IP, BGR and WQMP reviews. For FTP site submittals, ZIP the files together for each review group with the following naming convention for the ZIP file:

- **ZIP** file naming
- IPs: [Planning Case] [IP#] PC# IP, e.g. "TR12345 (IP123456) PC3 IP".
- Grading Plans: [BGR number]_PC# Grading Plan", e.g. "BGR1234567_PC2 Grading Plan"

As of May 1st, 2020, in

submittals, CAD files in MicroStation format

(i.e. DGN) are required
