Questions submitted to the Aviation Division and the response are as follows:

One RFP is for Master Appraisal Services at French Valley Airport and Hemet-Ryan Airport (KHMT), while the other is for Master Appraisal Services at Blythe Airport (KBLH) and Jacqueline Cochran Regional Airport (KTRM). To be considered for each project, proposals must be submitted separately.
- Q2: In #4 Sample Report in the Proposal Format section of the RFPs, what is meant by "graphic examples of similar reports"?
- R2: “Graphic examples” refers to visual representations or illustrations that clearly demonstrate past projects that were completed by the Respondents, that are similar in scope to the RFP’s.
